Subject: FW: Supplemental GWOT Funding for Sports, Fitness, and Aquatics

OOPs, Sorry but I'm confused, and as a result I've confused the FM community. There are two different funding spreads for Sports, Fitness & Aquatics. This message "should have targeted" the funds for reducing post deployment trauma at 24 specific locations, for Sports, fitness & Aquatics Training.

There is a second funding spread being worked to divvy out additional funds for meeting baseline standard shortfalls for Sports, Fitness & Recreational Swimming and I have asked that you provide the list of Garrisons where you want those funds spread. Once I receive your responses I will request disbursement of the funds for the BLS shortfall.

"However, I believe I've now "unconfused" the FM guys and they tell me they likely have the funds for the "post deployment" transferred to the garrison bank accounts tomorrow or Monday at the latest".
